

# Hello, bookworm!

## What's in this here newsletter anyway?

- Keeping you up to date on projects we're working on
- Giving you a look at upcoming Events

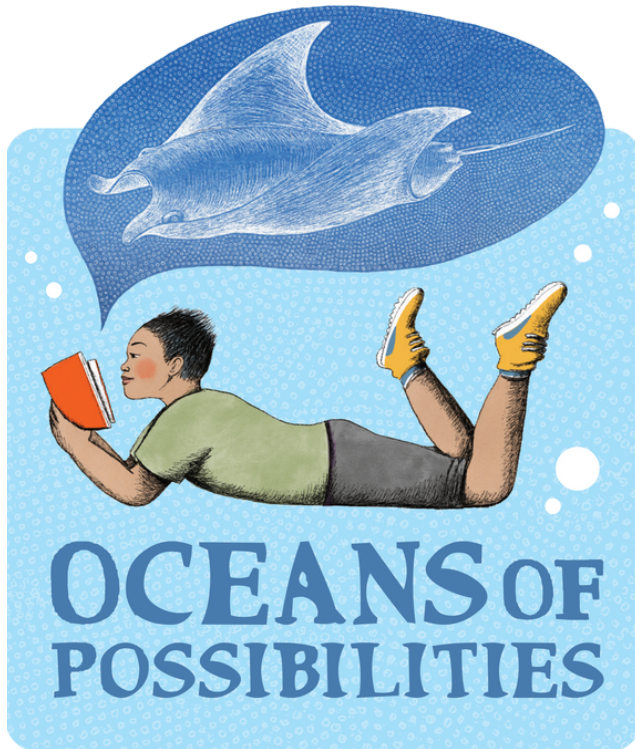

You may have noticed a lot of changes at the library over the last year or so. Manager Cala Glatz (that's me!) and library assistant Michele Varner have been going through the collection, adding and removing books and DVDS, and getting to know many marvelous patrons. In short—we're shaking things up. And we are working hard to bring regular programming back to our small but mighty library!

## NEWS ABOUT THE POLLINATOR GARDEN!

As anyone who frequents the Community Center knows, it has been quite some time since attention has been paid to the garden started by Mary Cooper several years ago. We've got good news: the library is teaming up with the Girl Scouts to revive the pollinator garden! We are salvaging as many perennials as we can, and will be planting more native and pollinator-friendly plants over the course of the year. Next spring will bring new delights!

# Upcoming Events

## Summer Reading!

Register by June 30th!

Wednesday Collaborations with the Clymer-French Creek Free Library & Summer Recreation: July 13, 20, 27 + August 3 @ 1pm - A different activity and story time each week.

July + August: Activities, crafts, and Storywalks—for children and adults. Follow us on Facebook (Findley Lake Library), or ask a librarian for more information!

## Author Talk: Isaiah Rashad

June 30th @ 1:30 pm

Join us in the Young at Heart room as we welcome back author Isaiah Rashad. He will be discussing his latest work and answering your questions. There's plenty of engaging conversation to be had!
